

AccessText Network Update June, 2015

The AccessText Network Continues to Grow

More Requests

Requests are up 7% over last year. We could top 100,000 requests this year.

More Publishers

RosettaBooks and Labyrinth Learning agreed to join ATN, while Wolters Kluwer and Vista Higher Learning have expressed strong interest in joining.

More Post-Secondary Members

73 post-secondary institutions have joined ATN this year.

More Hosted Files

Over 20,000 files now stored for immediate download.

Less Turnaround Time

Over 60% of file requests are being filled within one day.

THANK YOU FOR YOUR CONTINUED SUPPORT!
